Kristen,

When Bob called the Kozaks today, Mrs. Kozak reminded him that no vehicles are to be parked on their property for the USGS work.

Please honor this request too.

Thanks,

Sherry

Thanks, Kristin. We communicated the timing to REI and plan to call the Kozaks directly next.

Dave Larsen reminded me that access approval is contingent upon all party's entering the Kozak property accompanied by REI personnel.

Good Morning Sherry,

I received your voicemail from Friday at 3:36 and understand that Kozak's have agreed to property access for collection of water level data by USGS. I also understand, more detailed scheduling information is needed.

USGS is expected onsite on Wednesday, March 1st around 10am. I will keep you apprised if anything changes between now and Wednesday's scheduled event.
